Re: Notice of Intention to Commence Exploration Activities, Red
Nuggett Project, S/001/025, Beaver County, Utah

Dear Mr. Tait:

Thank you for forwarding the Notice of Intention to Commence Exploration Activities for William H. Powell's Red Nuggett exploration project, located in Section 7, T29S, R13W, and Section 12, T29S, R14W, Beaver County, Utah. Your agency's designated project number is UTU-71721. Because the notice indicates the proposed activities will be ongoing, we have categorized this as a Small Mining Operation Notice of Intention. Consequently, a new notice will not need to be filed annually unless the scope and size of the proposed mining activities changes significantly.

This letter is to inform you that the Division has evaluated the above mentioned Notice of Intent for completeness. The Notice meets the requirements of Rule R647-3 of the 1988 Division of Oil, Gas and Mining Minerals Rules, and Title 40-8, et seq., of the Utah Mined Land Reclamation Act of 1975.

Thank you for your cooperation. If you receive further information or amendments for this operation, please notify us so we will be able to update our files. Please reference our designated file number S/001/025 when forwarding additional information on this project to us.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
